JEE Rank: 5045

Sri Chaitanya College, Hyderabad

Technical Skills

Programming Languages

- C, C++, JavaScript, HTML/CSS

Frameworks / Tools

- ReactJS, Web Development

Projects

Warehouse Management System (mini DBMS Project)

GitHub: github.com/ettasrinith/dbms-project-group

- Built a warehouse system to manage crop storage, procurement from farmers, product delivery, and returns.
- Designed ER schema, implemented using MySQL and front-end with HTML/CSS.

Accomplishments & Leadership

- Led my team to secure second place in an esports tournament.
